MEMORANDUM

May 24, 2004

To: Institution for Industrial Revival

Address: 50 Dundee Street, Barrington Hills,
Illinois, USA

Name: Toshiharu Miyano

[Seal: Toshiharu Miyano]

1. I hereby make representations and warranties with respect to the following matters:

- (1) The status of my assets and liabilities current as of today (provided, however, that this excludes the inheritance assets and liabilities of Sumiko Miyano, who is my successor; hereinafter referred to as the "Inheritance Assets") is as described in Appendix 1 hereto (with the exception of slight increases or decreases).
- (2) The Inheritance Assets are as described in Appendix 2 hereto.
- (3) Among the Inheritance Assets, with respect to the amount equivalent to the funds that I am scheduled to receive¹ as described in Appendix 2 hereto and the amount equivalent to the real estate described in 4 in Appendix 1 hereto, I hereby make a provision of private funds to Miyano Machinery Incorporated².
- (4) In the event that a right to indemnity arises as a result of the provision of private funds, I hereby waive such right in advance.
- (5) The provision of private funds in excess of (3) above is likely to make it difficult for me and my family to engage in normal every day life.

2. In the event that the representations and warranties set forth in the preceding Article are breached, I promise to provide the prescribed damage compensation to your company.

End

Note 1: There was a will stating to the effect that I would inherit all of the Inheritance Assets, but as a result of a claim by another inheritor for the reduction of one-fourth (1/4) of the legally secured portion of the inheritance, the amount that I will inherit is anticipated to be three-fourths (3/4) of the Inheritance Assets.

Note 2: In the case concerning the claim for the abatement of the legally secured portion of the inheritance set forth in Note 1, in the event that the amount of the Inheritance Assets that I will inherit becomes less than the amount described in Appendix 2 hereto due to rational reasons, or in the event that a considerable difference arises between the actual sales amount of the fixed assets, etc. and the amount described in 4 of Appendix 1 hereto or in Appendix 2 hereto, I will request consultation with respect to the amount of the private funds to be provided [by me].
